Our first Family Camp was in 1997. We anticipate and expect this 22nd family camp experience to influence and impact us once again. We first came as a family of six. Years later, adoption grew us to eight. This year, our numbers increase to eleven through the addition of three daughters-in-law.

Though some things change, some remain the same. At Bay Shore Camp, individual families consistently come to grow in their relationship with each other. Daily train rides for kids, open swim time, an 18-hole putt-putt golf course, and zip-lining continue to be great options for family fun. ARCHERY and CANOEING have been added to enhance your experience. This brochure provides further daily details and will help you discover even more opportunities for all ages.

The Tabernacle is our evening gathering place. For generations, families have come to this wooden structure to worship Jesus. The Tabernacle is where we lift our voices in song, hear God’s Word preached, and declare Jesus as Savior and Lord. Not long ago, during our evening worship time, a recurrent question was raised, “What time is it?” And together, all the voices proclaimed, “Tabernacle Time!” The Tabernacle at Bay Shore Camp remains centrally located on camp grounds, demonstrating the desire of Jesus to tabernacle, or dwell, in each of our lives.

Come and tabernacle with us; drawing closer to Jesus, as friends and family!

~ Kevin and Ellen Harbin
Family Camp Deans

ABOUT THE THEME:
Tabernacle means “residence” or “dwelling place”. It was the portable earthly dwelling place of God amongst the children of Israel, from the time of the Exodus from Egypt through the conquering of the land of Canaan. In the New Testament, we are that tabernacle where God takes up residence and dwells.
Matt Hook is currently senior pastor at Dexter UMC in Dexter, Michigan. In addition to leading worship in each church he has served, Matt leads worship regularly for World Methodist Evangelism events and has led worship in Brazil, Kenya, Costa Rica, Cuba, and Germany. Matt enjoys a wide variety of music and worship styles. One of Matt’s favorite quotes comes from C.S. Lewis “Reflections on the Psalms” when Lewis writes “Praise almost seems to be inner health made audible… we delight to praise what we enjoy because praise not merely expresses but completes the enjoyment.” Matt’s wife, Leigh, teaches women’s Bible studies. The Hooks live and serve together in Dexter, MI with a growing and imperfect congregation. They have 4 young-adult children.

Susie was introduced to Bay Shore Camp in 1985 when her father pastored in Sebewaing and where her love for the Lord and desire to serve Him was nurtured. In 2010, Susie took a leap of faith, responding to God’s call to pastoral ministry. In 2013, after completing seminary, she became pastor of the St. Ignace United Methodist Church. Currently, Susie serves on the Board of Directors at Bay Shore. Susie is married to Craig and they have three daughters: Katie, Hannah, and Nicole, who all love Bay Shore Camp. Like Mom, their faith is strengthened each summer as campers and counselors. Music is a huge part of the Hierholzer family.

DAILY BIBLE STUDIES
9:00AM - 10:15AM AND 10:30AM - 11:45AM

9:00AM - 10:15AM
Hebrews - In Patton Lodge
Have you ever pondered the mystery of how Jesus is fully God and fully man? Do you sometimes find it difficult to trust the faithfulness of God in difficult circumstances? Have you ever felt stuck on your faith journey? Fear not! Hebrews gives us context and guides us how to live today considering who Jesus is, what He has done, and what He continues to do. A short, yet powerful New Testament book, it grabs our attention and doesn’t let go. Insights on everything from creation to eternity, angelic beings to heroes of the faith, Old Testament sacrifices to New Testament sacrifice. Hebrews is exciting, clarifying, encouraging, and challenging. Come and be reminded we have a great High Priest, a Brother, a perfect Sacrifice, the Lord over all who invites us to know Him - to really know Him - and to truly live like people who have been set free.

10:30AM - 11:45AM
Connecting the Bible to “Real” life - In Patton Lodge
Do you ever get confused about how the Bible stories fit together? What’s the connection between Daniel in the Lion’s Den and the people marching around Jericho until the walls came down? How is the Passover that’s introduced in the Old Testament, linked to the Crucifixion of Christ portrayed in the New Testament? A popular children’s Bible claims, every story whispers His name. Jeanne believes this is true. Her natural wit, creativity, and passion make Jeanne a clever teacher, providing a greater understanding to the thread weaving its way through the ages and pages of Scripture. Jeanne believes Bible stories have purpose for us today, and when applied we’re reshaped and changed to become more like Jesus.

Kingdom Parables - In the Tabernacle
Have you been confused by the parables outlined throughout the four Gospels? Though Jesus taught in parables, He never intended they be confusing – He desires we learn and grow through them. Joel’s teaching will help you understand and learn from five parables told by Jesus. A recurring theme will be the focus: the kingdom of God. Joel’s passion to teach God’s Word from a historical, geographical, and practical perspective will examine these five parables and explore the meaning and intention of Jesus to obtain practical truth applicable to our life today.

Great Commission Living - In the Tabernacle
Blake returns to Family Camp to teach what it means, and how to live out, The Great Commission – the command of Jesus to go make disciples. This study explores how making disciples is different than making converts, defining what a disciple is, how disciples are made, and why relationship-building is key to disciple-making. The other four sessions would include: Making Disciples through Service,” Making Disciples through Giving,” “Making Disciples through Listening” and “Making Disciples through Prayer.” Each of those sessions would have a different scripture passage as a basis.

Audio from keynote and bible study sessions will be available via the Bay Shore website, SoundCloud, TuneIn Radio, & iTunes
