**Songwriting:** Learn to write a song from beginning to end. We will develop the skills to create a great musical progression, catchy melody and powerful lyrics. We hope to both write songs together and allow space for individual songwriting as well. This elective will also allow space for recording our original songs right at camp. We hope to show you how you might record your songs right from home. This is a fun process and a great outlet for any musician! Bring journals, lyrics or poems, instruments and let's start writing! \*4 day elective.
